D: Real name : Dr Bruce Banner

Code name : Hulk

Costume / appearance : a green-skinned creature

Abilities / powers : ferocious and powerful

How did he get his powers : **Hulk was bombarded with highly radioactive particles**

E : Real name : ...

Code name : X-men

Costume / appearance : creatures

Abilities / powers : extra abilities that normal humans don't have

How did they get their powers :

The X-men are mutants, the next step of human evolution. They are regarded as dangers to human civilization.

Superheroes and sciences

| Superheroes | Sciences |
|--|-------------------|
| Ironman (electrical-engineer) | Physics |
| Spiderman (genetically-engineered spider) | genetics |
| Superman (from planet Krypton) | Astronomy |
| Hulk (a green-skinned creature) | Physiology |
| X-men (the next step of human evolution) | Biology |

The scientists :

Scientist Charles Darwin : The X-men (he studied the evolution of **species** and the X-men are creatures « that could be the next step in human evolution)

Scientist Charles Darwin : Superman (he discovered **the law of gravitation** and Superman comes from a planet with a stronger gravity force)

Vocabulaire à retenir ou réviser :

VOCABULARY :

| Nouns | Verbs | Adjectives | other |
|-------------------------|----------------------------|----------------------|------------------|
| An engineer | (to) design | Radioactive | extremely |
| A prisoner | (to) escape | Ferocious | |
| A suit | (to) decide | Powerful | |
| A suit of armour | (to) use | Green-skinned | |
| Evil | (to) bite | dangerous | |
| A web | (to) save | | |
| Steel | (to) get angry | | |
| A planet | (to) be transformed | | |
| A journalist | into | | |
| Space | | | |
| A physicist | | | |
| A creature | | | |
| danger | | | |

Éléments de syntaxe à retenir :

Pour parler d'une action subie : (to) BE + participe passé (= le passif)

Un participe passé se forme en ajoutant -ED à la BV sauf si c'est un verbe irrégulier (il change)

Bruce Banner was bombarded by radioactive particles

Peter Parker was bitten by a superspider

Anthony Stark was taken prisoner in Vietnam

Superman was sent to Planet earth, he was adopted by the Kents.

By permet d'introduire la personne qui agit sur le sujet.
