READING COMPREHENSION

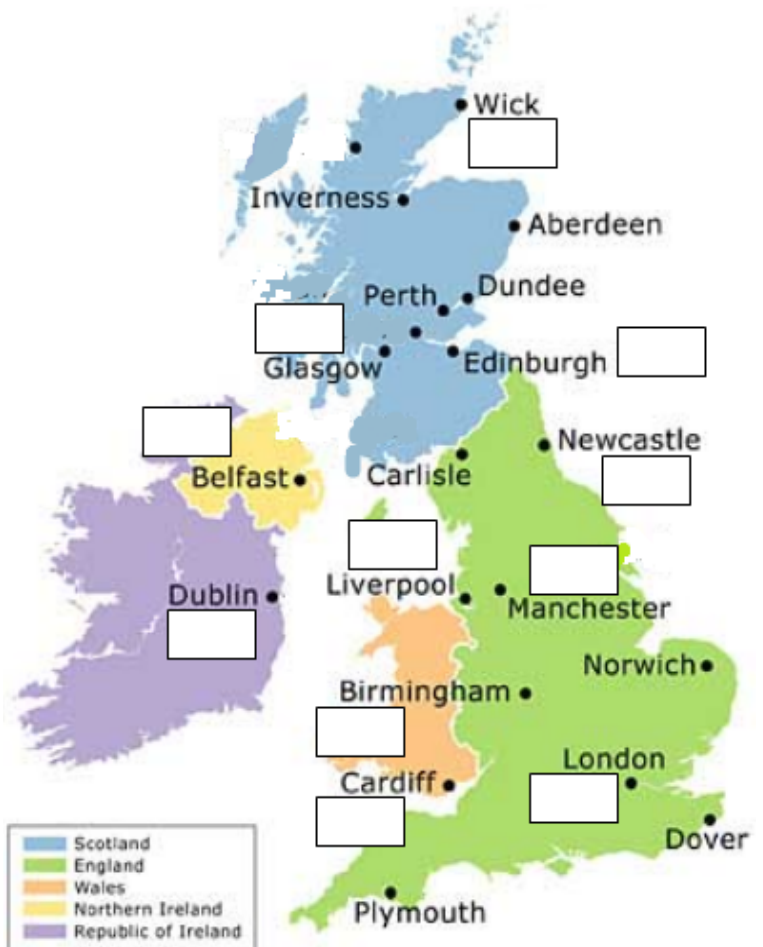

Read the weather report and complete the map with symbols and write the temperatures.

Here's the weather report for United Kingdom and the Republic of Ireland today. Let's start with Scotland. Today in **Wick**, it's rainy and cold, the temperature is eight degrees. In **Glasgow**, it's cloudy and cold too with nine degrees. In **Edinburgh**, it's nine degrees and the sky is quite cloudy and grey.

Now, Let's check the weather in England. In **Newcastle**, it's cold and cloudy with a temperature of ten degrees. It's even colder in **Manchester** with six degrees and a rainy weather. In **Liverpool**, it's very windy today and the temperature is seven degrees. In **Birmingham**, the weather is very rainy and it's five degrees, so it's very cold. In London, the capital city, it's cloudy and the temperature is nine degrees.

What about Wales? Well, in Cardiff the weather is windy and cold but the sky is blue. The temperature is seven degrees.

To finish, in **Belfast** it's stormy and the temperature is nine degrees while in **Dublin**, the weather is sunny and cool with thirteen degrees Celsius.
